QUALITY POLICY

Reliable Forge Die is committed to produce the highest quality product and services provided by the entire team at Reliable Forge Die & Engineering.

- ✓ **To achieve 100% customer satisfaction**
- ✓ **On time delivery**
- ✓ **Continual customer feedback with open communications through the process of the job**
- ✓ **Recommendations for improvement from Employee involvement**

The Upper Management has the responsibility to identify and record problems affecting quality and take actions to prevent occurrence.
